Re: AmericasHealth Plan Member Transition Update

Date: July 11, 2023

As you are aware, the 90-day transition period to move the more than 9,000 AmericasHealth Plan (AHP) members back to Gold Coast Health Plan (GCHP) ended on June 30, 2023. GCHP is now in the process of updating the eligibility records of those members to show their Primary Care Provider (PCP) as Clinicas Del Camino Real (CDCR). This update includes validating reports to ensure that members are assigned to their previous CDCR clinic.

Until these updates are completed – which we estimate will occur the week of July 24, 2023 – **all members showing an assignment of ‘GCHP-CDCR’ should be treated as members of CDCR for dates of service starting July 1, 2023. CDCR will be responsible for authorizing services for members in accordance with the Division of Financial Responsibility (DOFR).**
