Re: FDA Drug Recalls and Voluntary Withdrawals posted on GCHP Pharmacy Services Website

Date: Oct. 8, 2026

FDA Class I and Class II drug recalls and voluntary withdrawals that may impact Gold Coast Health Plan (GCHP) members have been posted on the [GCHP Pharmacy Services for Provider](#) website. To help ensure awareness of the most current recall and withdrawal notifications, providers should check this webpage regularly and take any appropriate action regarding affected medications. GCHP will directly notify members who may be impacted by these recalls or withdrawals.

For additional information on recalls and voluntary withdrawals, please visit the [FDA Enforcement Report](#).
