If your organization is interested in applying for a sponsorship, please fill out our Sponsorship Request Form.

The American Heart Association’s 2020 Heart & Stroke Walk took place in October and November, with eight organizations receiving $14,500 in sponsorships to support heart health workshops and seminars throughout the community.

In keeping with the theme of change for 2020, three members of our Community Advisory Committee and a Ventura County Supervisor have recently joined the board of directors of Gold Coast Health Plan (GCHP).

GCHP will continue to offer pharmacy benefits through its pharmacy benefit manager, Magellan Medicaid, and will begin transitioning to the California Health Care Benefit Plan (CHB) for their plan members. In support of a smooth transition, GCHP has been granted an additional three months to ensure members have uninterrupted access to medications.

Gold Coast Health Plan (GCHP) is anticipating policy changes that may impact the Medicaid program. As the state moves forward with its Medi-Cal Rx: New Implementation Date plan, GCHP is working with healthcare providers to educate members on the new program features.

For more information, contact the Gold Coast Health Plan Public Relations Manager at (805) 373-4473 or email: ghempr@goldcoasthealthplan.org.
