

2022 MCAS MEASURE: FOLLOW-UP AFTER EMERGENCY DEPARTMENT VISIT FOR ALCOHOL AND OTHER DRUG ABUSE OR DEPENDENCE (FUA)

Measure Steward: National Committee for Quality Assurance (NCQA)

Gold Coast Health Plan's (GCHP) goal is to help its providers gain compliance with their annual Managed Care Accountability Set (MCAS) scores by providing guidance and resources. *"Follow-Up After Emergency Department Visit for Alcohol and Other Drug Abuse or Dependence (FUA)."*

Measure Description: *The percentage of emergency department (ED) visits for members 13 years of age and older with a principal diagnosis of alcohol or other drug (AOD) abuse or dependence, who had a follow up visit for AOD.*

Two rates are reported:

- ▶ The percentage of ED visits, between January 1 and December 1 of the measurement year, for which the member received follow-up within 30 days of the ED visit (31 total days).
- ▶ The percentage of ED visits, between January 1 and December 1 of the measurement year, for which the member received follow-up within seven days of the ED visit (eight total days).

Data Collection Method: Administrative¹

FUM Clinical Code Sets

- For billing, reimbursement, and reporting of services completed, submit claims timely with the appropriate medical codes for all clinical conditions evaluated and services provided.

Codes used to identify an emergency department visit.

ODU Weekly Drug Treatment Service			G2067, G2068, G2069, G2070, G2072, G2073		
ODU Monthly Office Based Treatment			G2086, G2087		

Exclusion Criteria:

Members with the following condition(s) are excluded from the FUA measure:

- Members receiving hospice care during the measurement year.
- Members who were admitted for an inpatient visit on or within 30 days of the ED visit with a principal diagnosis of AOD because this may prevent an outpatient follow-up visit from occurring.

Best Practices:

- ▶ Timely identification and referral of patients who have alcohol and other drug abuse or dependency issues.
- ▶ Referral resources for alcohol and/or substance abuse issues include:
 - [Ventura County Behavioral Health Substance Use Services](#)
 - [Ventura County Health Care Agency](#)
 - [Ventura County Health Care Agency Alcohol and Drug Programs](#)
- ▶ Ensure timely follow up appointments for patients who meet the measure description and criteria.

¹ Measures reported using the *administrative* data collection method report on the entire eligible population and use only administrative data sources (e.g., claims, encounter, lab, immunization registries) to evaluate if services were performed.
