Provider Certification Application

Housing Transition Navigation Services

Community Supports (CS) Provider Certification Application: Housing Transition Navigation Services

Instructions

1. This CS Provider Application reflects the requirements and expectations set forth by DHCS and GCHP to serve as a CS provider for GCHP members.
2. Please complete the CS Provider Application and submit to calaimpr@goldchp.org with the subject line “CS Provider Application.”
3. If you have questions, please participate in GCHP’s Technical Assistance Convenings or contact calaimpr@goldchp.org.
4. As you complete your application, please be aware that GCHP will conduct a readiness review process to ensure that you meet DHCS requirements and can provide the services in the manner set forth in DHCS policy and GCHP’s P&P. To that end:
 - a. Please carefully review the expectations for providing CS services as set forth in the guidance documents cited at the end of these instructions and to be discussed in GCHP’s Technical Assistance Webinars.
 - b. Please review these expectations within your organization to ensure that you have a clear understanding of them and are prepared to deliver the services. There may be additional discussion and/or requirements for specific populations of focus as described in the CS Policy Guide referenced in these instructions.
 - c. Please provide details about how your organization will implement the CS services to meet the expectations of the program. Please be clear and concise in your submissions so that reviewers will understand how your organization provides CS services.
 - d. If you have any subcontractors providing any part of CS services on behalf of your organization, please submit a copy of the MOU / contract as part of your application.
 - e. If you are proposing that a subcontractor fulfill the CS provider requirements, please also complete Section 1K: Oversight & Monitoring.
5. GCHP will review all applications and respond to individual CS providers with request for additional information or clarification for areas of the application that do not satisfy the CS requirements.
6. For all narrative responses, please be clear and concise. Please limit your responses to 500 words or less for each section
7. Do not include any PHI or PII.
8. Avoid acronyms when possible or define acronyms in list in a supporting document.
9. Use the standard naming convention across all files.
10. Please see the following reference materials for your information and assistance:
 - a. DHCS Reference Documents for ECM and CS: [The ECM and CS Standard Provider Terms and Conditions](#) document provides details on provider expectations.
 - b. DHCS CS Policy Guideline: [This guideline](#) provides state guidance on all CS.

Section	Requirements	Questions for Prospective Providers
1K	Monitoring and Oversight CS provider will cooperate with GCHP oversight and monitoring activities to ensure meeting CS services requirements. CS provider must comply with GCHP monitoring activities including required reporting, audits, and corrective action, among other oversight activities.	<ol style="list-style-type: none"><li data-bbox="1140 193 1982 258">1. Describe your experience being monitored and overseen by another entity with whom you've contracted to provide a CS service(s).<li data-bbox="1140 266 1955 331">2. Describe internal audits you perform and external audits in which you've participated. Applicant Response:

Housing Transition Navigation Services

Section	Requirements	Questions for Prospective Providers
<p>2A</p>	<p>CS Description Providers must assist GCHP members with obtaining housing and have the ability to provide all of the 15 services listed below.</p> <p>Please indicate which of the following services you currently provide (check all that apply):</p> <ul style="list-style-type: none"> <input type="checkbox"/> 1. Conducting a tenant screening and housing assessment that identifies the participant's preferences and barriers related to successful tenancy. The assessment may include collecting information on the participant's housing needs, potential housing transition barriers, and identification of housing retention barriers. <input type="checkbox"/> 2. Developing an individualized housing support plan based upon the housing assessment that addresses identified barriers, includes short- and long-term measurable goals for each issue, establishes the participant's approach to meeting the goal, and identifies when other providers or services, both reimbursed and not reimbursed by Medi-Cal, may be required to meet the goal. <input type="checkbox"/> 3. Searching for housing and presenting options. <input type="checkbox"/> 4. Assisting in securing housing, including the completion of housing applications and securing required documentation (e.g., Social Security card, birth certificate, prior rental history). <input type="checkbox"/> 5. Assisting with benefits advocacy, including assistance with obtaining identification and documentation for SSI eligibility and supporting the SSI application process. Such service can be subcontracted out to retain needed specialized skillset. <input type="checkbox"/> 6. Identifying and securing available resources to assist with subsidizing rent (such as, Section 8, state and local assistance programs, etc.) and matching available rental subsidy resources to members. <input type="checkbox"/> 7. If included in the housing support plan, identifying and securing resources to cover expenses, such as security deposit, moving costs, adaptive aids, environmental modifications, moving costs, and other one-time expenses. (Note: Actual payment of these housing deposits and move-in expenses is a separate CS service under Housing Deposits.) <input type="checkbox"/> 8. Assisting with requests for reasonable accommodation, if necessary. 	<p>Questions for Prospective Providers</p> <ol style="list-style-type: none"> 1. Briefly describe how your organization provides these services. What is your current and anticipated future capacity for CS services or programs you offer? Indicate whether you would be able to serve all assigned members, including those not currently connected to your organization. 2. Describe your experience in engaging members with complex health, disability and/or behavioral health conditions. 3. Describe any activities that you currently subcontract or refer to another provider. Provide specifics on how you work with any subcontractors to supplement in-house services. 4. If there are any required activities for this CS service that you do not currently provide, how do you plan to increase capacity to provide them? 5. Would you need assistance from GCHP, and if so, with which specific service(s) / activities? 6. Describe any street based outreach strategies that you currently use or plan to use for this CS service. <p>Applicant Response:</p>

Section	Requirements	Questions for Prospective Providers
	<ul style="list-style-type: none"> <input type="checkbox"/> 9. Landlord education and engagement. <input type="checkbox"/> 10. Ensuring that the living environment is safe and ready for move-in. <input type="checkbox"/> 11. Communicating and advocating on behalf of the client with landlords. <input type="checkbox"/> 12. Assisting in arranging for and supporting the details of the move. <input type="checkbox"/> 13. Establishing procedures and contacts to retain housing, including developing a housing support crisis plan that includes prevention and early intervention services when housing is jeopardized. (Note: The services associated with the crisis plan are a CS service under Housing Tenancy and Sustaining Services.) <input type="checkbox"/> 14. Identifying, coordinating, securing, or funding non-emergency, non-medical transportation to assist members' mobility to ensure reasonable accommodations and access to housing options prior to transition and on move-in day. <input type="checkbox"/> 15. Identifying, coordinating, environmental modifications to install necessary accommodations for accessibility. 	
2B	<p>Provider Capabilities and Best Practices</p> <ul style="list-style-type: none"> • Experience serving people experiencing homelessness. • Admission, Intake, Assessment: Experience with conducting a housing needs assessment. • Benefits Advocacy: Experience with benefits advocacy for members, patients, and clients, such as completing SSI eligibility and supporting application / appeals process. • Case Management / Health Navigation: Experience providing care coordination to clients including making appointments, transportation, and appropriate programming to increase independence and life skills. • Housing Service Planning and Navigation: Experience with developing a housing support plan for members, patients, and clients. • Experience with housing search and completion of housing support plan for members, patients, and clients. • Experience with resolving tenancy issues for members, patients, and clients. • Experience providing accompaniment to appointments. • Have access to CES and linkage to local CoC. 	<ol style="list-style-type: none"> 1. How long has your organization been providing this service? 2. Does your organization have an HMIS read / write account? 3. Does your organization use trauma-informed care, and/or harm reduction practices? How do you train staff and implement these practices? 4. Does your organization offer any supportive services to assist with mitigating potential housing search barriers (e.g., transportation, childcare)? If so, which ones? 5. If available, what is your housing placement rate for clients / patients? <p>Applicant Response:</p>

Section	Requirements	Questions for Prospective Providers
2C	Eligibility Criteria	<ol style="list-style-type: none"> 1. What types of individuals do you currently provide services to? 2. Do you have any specific focus areas or restrictions on eligibility criteria for this service at your organization? <p>Applicant Response:</p>
2D	Provider Staffing and Capacity	<ol style="list-style-type: none"> 1. Describe current staffing structure to deliver this CS service. 2. Describe what type of support or capacity-building assistance may be needed from GCHP to launch or expand this service. 3. Do you currently include peers and/or individuals with lived experience of homelessness in your service delivery model? If so, please describe their role in your service delivery. <p>Applicant Response:</p>
