

# Maui Health COVID-19 Vaccine

## Phase 1A, B, C Individuals

### Phase 1A: Currently vaccinating

- Healthcare Workers: Paid and unpaid personnel serving in healthcare settings who have the potential for direct or indirect exposure to patients or infectious materials.
- Long-Term Care Facility Residents: Adults who reside in facilities that provide a variety of services, including medical and personal care to individuals unable to live independently.

### Phase 1B: Currently vaccinating

- Hawai'i Residents Age 75+: Adults over the age of 75.
- Frontline Essential Workers: Workers whose duties must be performed on-site and require being in close proximity to the public or coworkers, are at substantially higher risk of exposure to SARS-CoV-2 and are essential to the functioning of society with special attention to life and safety first.
  - This includes: first responders; corrections officers and staff; emergency services dispatchers; individuals essential for federal, state and local government operations; critical transportation infrastructure workers (harbor and dock workers, public transportation, etc.); critical utilities (energy, water, etc.); teachers and childcare and educational support staff (childcare, preschool, early education, K-12, post-secondary, etc.); US Postal Service employees, grocery store workers.

### Phase 1C: Start date to be determined

- Hawai'i Residents Age 65+: Adults ages 65-74
- Individuals w/Underlying Medical Conditions: Individuals of all authorized vaccine eligible ages with comorbid and underlying conditions that put them at increased risk for severe COVID-19.
- Other Essential Workers: workers not included in Phase 1b
