

# Steam Box™ Steam Cleaner

Designed for pure steam power.

Box out dirt, grease and disinfect with an industrial strength steam cleaner. Water and detergent injection with continuous refill make this an all-out cleaning machine.

# Key Features

Lifetime Warranty  
on the boiler and casing only

### Direct Water Feed

Unique to the Dupray Steam Box, this professional-grade steam cleaner lets you connect directly to a water hose for non-stop work and no need to refill manually.

### Detergent Injection

Blast dirt and grease away with Dupray's biodegradable Biovap® detergent, available in burst mode at the touch of a button.

### Hot Water Injection

Supercharge your steam jet with a blast of boiling water at the touch of a button. Hot water injection can be used to dislodge dirt or rinse surfaces.

### Commercial Quality

The Steam Box is built to last years of intense commercial use, assembled in Italy with only premium European parts.

### Powerfull Steam Production

The Steam Box is available on 220 V which produces up to 2.5 times the steam of a 110 V unit.
