CONTEMPORARY LIGHTING

Established in 1970 by Mr. Rashmikanth Bhuta, Tulip Corporation, a design oriented partnership firm has been consistently manufacturing and marketing high quality lighting products to various Projects, Contractors and Dealers in major cities of India.

Armed with a wealth of experience in manufacturing custom made Luminaries for Architects, Tulip has designed and developed its own range of Luminaries with distinct style to go with today's interiors.

Over a period of time, Tulip is recognised by Architects, Consultants, Traders and end users for its Creativity, Simplicity, Consistency and Value for Money.
