

Beta Visitors Chair

A dependable choice designed for commercial and medical facilities, this chair provides sturdy, long-term comfort for waiting rooms, reception areas, and consultation rooms.

Because it is highly customisable, you can tailor the frame, arms, and fabric to meet the exact requirements of your staff and visitors, ensuring everyone has a safe and comfortable place to sit.

Features:

- Fully wipeable outer back suitable for healthcare applications with anti-bacterial and anti-microbial properties.
- Moulded seat foam for comfortable all day sitting.
- Designed for 100% recyclability at the end of its life cycle
