

Lotus Chair

The Lotus has an enveloping silhouette that looks considered without trying too hard, and molded foam cushioning that actually supports you rather than just decorating the space. The powder-coated sled base keeps it grounded and stable, and the 100% polyester fabric has been tested well beyond everyday demands. Available in Light Grey or Olive, it works in reception areas, breakout spaces, staffrooms, and waiting rooms alike.

Features

- 90mm seat foam with fire-retardant rating, shaped for lasting comfort
- Sled base in black powder coat: stable, floor-friendly, and clean in appearance
- 2.0mm steel frame with 16mm diameter rod: built to hold up through years of regular use
- 100% polyester fabric: tested to Martindale 40,000+ rubs for exceptional durability
- Fire-retardant foam
- Two colour options: Light Grey or Olive, both tested for colour fastness to light, wash, and rubbing
