

EN One Chair

The EN One has been our most popular student chair for many years. Manufactured to a high specification to meet the needs of a high use chair, The EN One offers ergonomic support to the lower back, flexing naturally with the user's movement. An extremely versatile chair with exceptional stacking capability up to 21 chairs within a 2 meter height.

Available in a range of vibrant colors:

Features:

- One-piece reinforced polypropylene construction for unbeatable stability.
- Anti-tilt frame for safety and confidence.
- 100% recyclable materials, supporting sustainable practices.
