THE MEMBERS PLEDGE

As a member of the Economic Freedom Fighters, I freely and solemnly make this pledge before Almighty God, my fellow citizens, and future generations of The Gambia.

I pledge my unwavering loyalty to the Constitution of the Republic of The Gambia, to the rule of law, and to the democratic principles upon which our nation is founded.

I pledge to uphold the values and principles of the Economic Freedom Fighters with integrity, honesty, humility, discipline, and respect for every citizen.

I shall place the interests of The Gambia above personal interest, private gain, political ambition, regional loyalty, tribal identity, or any other consideration that weakens our national unity.

I shall respect the dignity and equal worth of every Gambian, regardless of ethnicity, religion, gender, age, language, social status, disability, or political belief.

I shall reject corruption, abuse of public office, discrimination, violence, intimidation, hatred, and every form of injustice that undermines our Republic.

I shall promote peace, national unity, dialogue, and mutual respect, recognising that the strength of The Gambia lies in the diversity of its people and in our shared commitment to the common good.

I shall work diligently to create opportunities, expand prosperity, protect our environment, strengthen our institutions, and leave our nation stronger than I found it.

T H E M E M B E R S P L E D G E

If entrusted with public office, I shall exercise authority with humility, transparency, accountability, and fairness, remembering always that leadership is a sacred public trust and never personal entitlement.

I shall defend the sovereignty, independence, security, constitutional order, and democratic institutions of the Republic of The Gambia.

I shall encourage service above self, merit above patronage, responsibility above privilege, and unity above division.

I shall support the empowerment of women, youth, persons with disabilities, workers, entrepreneurs, farmers, students, professionals, traditional authorities, faith communities, and every citizen who contributes honestly to the progress of our nation.

I shall conduct myself in a manner that brings honour to the Economic Freedom Fighters and dignity to the Republic of The Gambia.

Should I fail in these commitments, I accept that I shall be accountable to the Party, to the laws of the Republic, and above all to the people whom I have pledged to serve.

With faith in Almighty God, confidence in the people of The Gambia, and hope for generations yet unborn, I make this solemn pledge freely, sincerely, and without reservation.

I pledge to build rather than destroy.

I pledge to unite rather than divide.

I pledge to serve rather than rule.

I pledge to leave The Gambia stronger than I found it.

This is my solemn covenant.

This is my duty.

This is my pledge.
