BE A PART OF YOUR NEW ARTS CENTER. LITERALLY.

Create a lasting contribution to the Dr. Phillips Center for the Performing Arts by naming a seat in the timeless Walt Disney Theater. Your name will be engraved on an elegantly designed plaque affixed to a permanent seat recognizing the commitment and support you have for the arts and your community.

YOUR SEAT

Our Name a Seat campaign allows you to celebrate your passion for the arts, your family, your friends, your business or the memory of a loved one for generations to come. Your named seat will be located in the 2,700-seat Walt Disney Theater. This state-of-the-art amplified theater is the largest at the Dr. Phillips Center, hosting the finest performances of Broadway, touring productions and artists from around the world.

The naming opportunity is through 2025 or for the life of the theater seats. Once you decide your level of commitment you will be given a confirmation of your seats and locations. Naming a seat is a great contribution to the Dr. Phillips Center and will allow you to be recognized by all the guests who visit. You will also be recognized on our website at drphillipscenter.org/nameaseat. Seats will be assigned by the Dr. Phillips Center. Naming a seat does not guarantee that you will be sitting in your named seat for the performances you attend.

YOUR PLAQUE

Your plaque will be in the shape and font type of the image below. It is roughly 4.5 inches wide and 1.125 inches tall. There is a maximum of two lines per plaque and the inscription will be all lowercase and centered.

*Deadline for the first plaque installation is May 31, 2015. After this date, plaques will be installed on a quarterly basis.

YOUR COMMITMENT

Your participation in our Name a Seat campaign starts by choosing your level of commitment to the Dr. Phillips Center:
