

ALVIN AILEY AMERICAN DANCE THEATER

LATE SEATING POLICY

Our policy for late seating is that there is **NO LATE seating**.

House will open approximately ½ **hour** before the performance (we will let you know by radio when we are ready).

We will accommodate with “house holds” at the top of the performance. Our maximum hold is 7 minutes and must be approved by the Company Managers of Alvin Ailey.

Late seating can commence after the conclusion of each piece when the house lights are at full with the **curtain in**.

In a pause situation, the late seating can commence after the bows are finished and the house lights are at a glow with the **curtain in**. This must be discussed and approved by the Company Manager in advance.

Please post an usher at each entrance to the backstage area from the lobby areas to ensure security.
