

## Alvin Ailey health & safety protocols:

All guests attending Alvin Ailey will be required to show a negative covid test result or, alternatively, proof of vaccination.

Guests 12 years and older are required to provide documentation of a negative COVID-19 test.

- Rapid antigen test professionally administered within 6 hours of the performance (no home tests)
- PCR test administered within 72 hours
- Acceptable documentation is either printed or digital (such as on a mobile phone)—and it must clearly reflect the name of the guest, the date of the test, the type of test and the negative result.
- **Self-reporting tests are not accepted.**
- Photo ID must also be shown for either type of test.

As an alternative, guests 12 years and older can provide documentation of their full vaccination status.

- Final dose must be at least **14 days** before the show/event date.
- Acceptable documentation includes the original vaccination card, a printed copy of the vaccination card or a digital copy (such as on a mobile phone).
- **Photo ID** must also be shown.

All guests age 18 and over must present a matching photo ID for either the test result or vaccination status.
