APPLAUSE AWARDS

Applause Awards 2024 Handbook

ABOUT THE APPLAUSE AWARDS

The Applause Awards at the Dr. Phillips Center celebrates the achievements of area high school teachers, designers, and students involved in musical theater programs and productions. A qualified team of adjudicators evaluate productions and students to provide directors with valuable written feedback. At the end of the academic school year, the Dr. Phillips Center hosts an awards ceremony to recognize the outstanding achievements of high school musical theater in a showcase in the Walt Disney Theater.

Modeled after the Tony Awards®, the showcase features outstanding performances from participating high schools and celebrates their enthusiasm, dedication, and talent while encouraging participating schools to grow and continue improving their programs.

At the conclusion of the Applause Awards ceremony, our panel of judges select two Applause Award Outstanding Lead Performers to represent Central Florida in The Jimmy Awards competition held through The Broadway League in New York City at the end of June.

The selected students will compete for the national title, while spending two weeks with Broadway professionals, producers, directors, and casting agents to further their knowledge and talent.

a note on time commitment

Dr. Phillips Center for the Performing Arts knows that many hours of hard work go into preparing a high school musical theater production. One of the goals of the program is to provide visibility for the work that is being produced in our community. During the school year, there is little additional time commitment from directors/teachers other than communicating pertinent information. However, if your show or student/s are selected to receive an Applause Award for Outstanding Musical, it may require an additional time commitment for brush-up and/or staging rehearsals in addition to the showcase performance.

PARTICIPANT ELIGIBILITY

The Applause Awards program is open to public and private high schools producing musical theater in Central Florida. To be eligible for participation for the 23/24 season, a school should meet the following qualifications:

- Schools must be located within a 150-mile radius of Dr. Phillips Center, located at 155 East Anderson Street, Orlando, FL 32801, unless otherwise arranged.

Any student winning an Outstanding Lead Performer Award is invited to perform a solo from the nominated show and is also invited to perform in the ceremony. Most rehearsals are scheduled during the evenings. **All Outstanding Lead Performers who want to be considered for the Jimmy Awards must attend each night of rehearsal, with the exception of one absence for any involvement in a high school graduation.** Conflicts will need to be submitted the week following the winner announcement and approved by the show director and Dr. Phillips Center Education Team.

A NOTE ON DOUBLE CASTING

If a school decides to double cast one or more roles, you must submit two applications and double the payment if you would like to have both casts adjudicated and considered for awards. You cannot merge two different casts, since it could influence the ensemble and overall independent student performer scoring dependent on casting.
