### **Disney Musicals in Schools Program Overview:**

Dr. Phillips Center for the Performing Arts will select elementary schools from Orange, Osceola or Seminole County to participate in this year's Disney Musicals in Schools program. Elementary schools must be Title I and have 60% of their students on free or reduced lunch.

Selected schools will receive:

- **Free** performance rights (valid for one year) to a 30-minute Disney KIDS musical of their choosing (available shows include *Aladdin*, *101 Dalmations*, *Winnie the Pooh*, *Finding Nemo*, *The Aristocats*, *The Jungle Book*, *The Lion King* and *Frozen*)
- **Free** ShowKit materials, including a director's guide, student scripts, guide vocal and performance tracks, and cross-curricular activities.
- **Free** in-school support from a team of two Dr. Phillips Center teaching artists (during a 90-minute school visit each week).
  - The teaching artists will serve as production and creative advisors who will train and empower the school team to run the program themselves.
  - The teaching artists will guide the school team through both production management (developing a rehearsal schedule, running auditions, and addressing technical and physical production requirements) and the creative execution of the show (direction, choreography, acting and design). They will also advise the school team on school and community engagement opportunities.
  - Disney KIDS musicals are designed to be produced on any budget. Dr. Phillips Center teaching artists will work with selected school teams to create a production within the budget the school is able to allocate to this project.
- Lastly, the selected schools will participate in a culminating Disney Musicals in Schools Student Share Celebration. At this event, each school will share selections from its production in Walt Disney Theater at Dr. Phillips Center for the Performing Arts.

Selected schools will be expected to:

- Produce a 30-minute Disney KIDS musical involving third- through fifth-graders both on- and off- stage.
- Identify a school team comprised of **at least three** teachers and staff members, who will partner with Dr. Phillips Center teaching artists and oversee and manage the program from beginning to end. The selected school team will receive on-site support from a team of two Dr. Phillips Center teaching artists who will visit the school each week. The school team will also run a 90-minute rehearsal on their own once each week.
- Commit to a full semester of rehearsal /production in an after-school setting.

### **Financial Commitment**

Performance rights, ShowKit materials, professional development, and on-site teaching artist support will be provided at no charge to selected schools.
