### Relevant Experience

#### Macaport - Screen Printing Company 2020 - Present

E-Commerce Platform & Dashboard

Built an e-commerce platform with Next.js, MongoDB, and Vercel. The app includes online stores with persistent carts and a checkout system that uses React context, Formik, and Stripe. Also includes a dashboard built with React Query and serverless functions to manage the API's for inventory, stores, products, and orders.

#### Zabel Monuments, Van Gemert Memorials, Sheboygan Monuments, & Falls Monument 2016 - Present

Marketing Websites & IT Services

Designed and developed marketing websites for these four monument companies. The websites are built with Gatsby, hosted on Netlify, and use Netlify's serverless functions. Website features include accessible testimonial sliders, lightbox image galleries, and FAQ accordions. Also provide other IT services.

#### WI Basketball Yearbook Officials Camps 2015 - Present

E-Commerce Platform, Dashboard, & Email Marketing

Built an e-commerce platform with Next.js, MongoDB, and Vercel. The app includes a registration that uses React context, Formik, and Stripe. Includes a dashboard built with React Query and serverless functions to manage the registrations API. Also built a Node.js server to run email marketing campaigns with Mailgun.

#### Lakeshore Force AAU Basketball Program 2015 - 2018

Marketing & Informational Website

Designed and developed a bespoke WordPress website for the AAU basketball program that was made up of 8 different teams. The website included team news, rosters, schedules, and statistics.

#### New Direction for Seniors 2015 - 2017

Marketing Website & IT Services

Designed, developed, and managed a bespoke WordPress website for the senior downsizing and estate sales business. Also provided other IT services and some print design work.
