Q. Is it a must to follow this sample format?

This sample format is a basic guide to lovebirds. You, lovebirds, may or may not follow the format in case you already have your sample format.

Q. Can I change the word opening and word closing based on my format?

Yes ofcourse! The word opening and word closing from the sample format is our format, you may or may not follow the format.

Q. Based on the sample format (next page), can I add Bismillah for my future invitation?

Definitely can add *Bismillah* for the actual invitation. Just to share that for physical invitation we recommend not to add the *Bismillah* in jawi as it cannot be thrown away as you please due to Allah's name.
