ALLTRISTA®

Molding a sustainable future through technology and material science

ALLCAP™ 1881 BEVERAGE CLOSURES ARE:

LIGHTER TO REDUCE WASTE...

20% weight savings can result in the removal of over 22 million lbs of plastic annually from the waste stream at 20 billion closures per year.

...WITH 100% IN-LINE INSPECTION...

Our best-in-class manufacturing cells are proven to produce closures at six-sigma quality levels by inspecting each beverage closure for 15 critical dimensions and attributes.

...AT A LOWER COST POSITION.

Customers have realized significant annual costs savings in piece price.

Using a turnkey operation, we can build and operate at your facility or ours.
