SOS Warranty Services Inc. commits to the owner of the new appliance(s), for residential use only, that it will provide the coverage as outlined, according to these terms and conditions, **for Whirlpool, Electrolux, Bosch, Danby, GE, LG and Samsung brands Exclusively***.

DEFINITION OF SERVICES

At the expiration of the Manufacturer's original warranty term of 1 (one) year, should the appliance covered by this SIGNATURE Service Plan become inoperable during the second (2nd) year, due to a defect in material or workmanship, SOS Warranty Services Inc. will repair the unit or any part(s) of the unit with a similar or comparable unit or part(s), up to the original purchase price of the item before taxes, during the second (2nd) year term of the plan.

1. The amount payable for the repair(s) will not exceed the original purchase price (before taxes) of the covered appliance. The coverage for the Signature service plan is for parts and labour, except in cases where the appliance or its parts are still under the manufacturer's warranty.
2. Service must be necessitated by product failure during normal, non-commercial usage. It shall be at the sole option of SOS WARRANTY SERVICES INC. whether parts will be replaced as opposed to being repaired. To be eligible for coverage under this plan, the covered appliance must be purchased "new" and be covered by an original manufacturer's warranty of one (1) year. To qualify for service, the owner of this service plan must provide the original invoice for the appliance, which indicates the service plan number.
3. The total combined coverage period of this plan and the original manufacturer's warranty shall not exceed two (2) years. In the case where the manufacturer's warranty is less than one (1) year, the total service plan term will be for one (1) year plus the manufacturer's warranty period.
4. Service will be provided under this plan at an authorized service center designated by SOS WARRANTY SERVICES INC. All products to be serviced must be delivered to and picked up from, at the owner's expense, the designated service center unless in-home service is specified. Parts, at SOS WARRANTY SERVICES INC.'s discretion, may be replaced with new, refurbished, or non-original manufacturer's parts of like kind and quality that perform to the factory specifications of the product. Service at authorized service centers will be provided during normal business hours.
5. In the event that the plan owner requires in-home service and the plan owner fails to keep an in-home service appointment, the plan owner will be responsible for paying the cost of the service call based on the prevailing rate within the industry at the time of the service request. Major appliances, over the range microwave ovens and built-in appliances covered by an in-home manufacturer's warranty shall receive in-home service under the SIGNATURE Service Plan. In the case of in-home service, the plan owner must provide a safe, non-threatening environment, as determined solely by the authorized technician, in order to receive service.
6. SOS WARRANTY SERVICES INC. cannot be held responsible should the original manufacturer cease operations and/or parts become unavailable.
7. In the event that a repair is needed but parts are delayed from the manufacturer for an undetermined amount of time, the process of SOS WARRANTY SERVICES INC. is that the repairs will be completed once parts become available. Replacement of a defective unit will only be an option if repairs are not possible due to parts being discontinued and no other substitute is available.
