Because we think you deserve it all

**WE ARE PROUD** to introduce our exclusive product line that sets a new standard for comfort, design and value. We partnered with Canada's leading manufacturer, Palliser Furniture, to custom-design a premium selection to fit your foremost needs.

The CompleteComfort Seating System

The newest innovation in comfort. Imagine a fusion of heavenly softness and ultimate support. CompleteComfort uses the features found in premium mattresses to provide an unparalleled seating experience. Composition of seating core may vary with style and dimension changes.

Bonded Fibre Wrap

What you feel first is the gentle cushion of Bonded Fibre. It's the layer closest to you and provides an ultra soft touch surface.

ComfortWave Core

Experience the comfort of coils, without the coils. The innovative undulating waves form a perfect spring-like base providing the most comfort and support where you sit.

Stabilizing Foam

The final layer is the firmest, and creates a strong and uniform base. The other softer layers are stabilized by this firm underlying structure and preserves the cushion's shape.

High-resiliency foam provides comfort, support and helps maintain cushion shape.

PALLISER®

Incredible Choice

With over 300 exciting leathers, fabrics and colours to choose from, we offer an extraordinary selection to make your home your very own.
