### PURCHASING THE RIGHT PILLOW FOR YOU

We think of pillows as “the bed for your head” because that’s how important they are to getting the best nights rest possible. Our Sleep Experts can match your sleep style (the most common position you sleep in) with a pillow that offers you all the support you need. What’s more, unlike other pillow retailers, you can actually try them out on a mattress inside our stores to feel the differences for yourself.
