local jobs*

By supporting local businesses, you are in turn helping your local economy by creating more jobs. Even a small business needs enough hands to help it sell its products and services, which is why the more we support them, the more jobs will be created and the better off our local communities will be.

Because we think you deserve it all

WE ARE PROUD to introduce our exclusive product line that sets a new standard for comfort, design and value. We partnered with Canada's leading manufacturer, Palliser Furniture, to custom-design a premium selection to fit your foremost needs.

PALLISER®

The CompleteComfort Seating System

The newest innovation in comfort. Imagine a fusion of heavenly softness and ultimate support. CompleteComfort uses the features found in premium mattresses to provide an unparalleled seating experience. Composition of seating core may vary with style and dimension changes.

Bonded Fibre Wrap
What you feel first is the gentle cushion of Bonded Fibre. It's the layer closest to you and provides an ultra soft touch surface.

ComfortWave Core
Experience the comfort of coils, without the coils. The innovative undulating waves form a perfect spring-like base providing the most comfort and support where you sit.

Stabilizing Foam
The final layer is the firmest, and creates a strong and uniform base. The other softer layers are stabilized by this firm underlying structure and preserves the cushion's shape.

High-resiliency foam provides comfort, support and helps maintain cushion shape.

Incredible Choice

With over 300 exciting leathers, fabrics and colours to choose from, we offer an extraordinary selection to make your home your very own.

PALLISER®

CompleteComfort™

Exclusively by Palliser

This stunning motion collection is sure to draw attention. Blown-fiber backs and high-density foam seats combine with pillow-top arms for unparalleled comfort that you can fully sink into. A triple-bolstered back brings a structured drama to the look, accented by double topstitch details on the back and seat. Power headrest, recline, and lumbar offer infinite opportunities for creating the perfect position, while wall-hugger technology ensures a full recline with as little as 4" of wall clearance.

More Personal

Another of the great things about independent businesses is that they're run by people, not boards or stockholders, and you will likely get to know them. Quite often these people, such as family-run shop owners, will have interesting stories as to how their stores came to be and about the area you're living in. This personal touch cannot be matched by a chain.

SUPERSTYLE

FURNITURE LTD.

SUPERSTYLE was founded in 1967 as a Canadian manufacturer of fine Upholstered furniture, with a philosophy of offering "Impeccable Quality, Exceptional Value and Excellent Service."

Today our original core principles are in evidence throughout our entire line and Superstyle has enjoyed steady growth by building on this now well established tradition of excellence.

With superior craftsmanship inside and the finest fabrics outside you can be certain the Superstyle line of products are of the highest quality.

For the ultimate invitation to relaxation Superstyle furnishing provides comfort and style, right at home.

Many local businesses support local not-for-profits and charities that are relevant to that area, so by shopping locally you are helping to increase the number of local donations. It goes without saying that bigger companies and chains do also support charities, but if your preference is to support local not-for-profits and charities, your best bet is to shop from your local store. Local businesses not only pay their employees, they also spend money at other local businesses. That means by buying local, you help create jobs for your friends and neighbors, contribute to improved public infrastructure, and invest in your community both socially and economically
