*More Personal*

Another of the great things about independent  
businesses is that they're run by people, not  
boards or stockholders, and you will likely get  
to know them. Quite often these people, such  
as family-run shop owners, will have interesting  
stories as to how their stores came to be and  
about the area you're living in. This personal  
touch cannot be matched by a chain.
