**Bonded Fibre Wrap**  
What you feel first is the gentle cushion of Bonded Fibre. It's the layer closest to you and provides an ultra soft touch surface.

**ComfortWave Core**  
Experience the comfort of coils, without the coils. The innovative undulating waves form a perfect spring-like base providing the most comfort and support where you sit.

**Stabilizing Foam**  
The final layer is the firmest, and creates a strong and uniform base. The other softer layers are stabilized by this firm underlying structure and preserves the cushion's shape.

High-resiliency foam provides comfort, support and helps maintain cushion shape.

A triple-bolstered back brings a structured drama to the look, accented by double topstitch details on the back and seat. Power headrest, recline, and lumbar offer infinite opportunities for creating the perfect position, while wall-hugger technology ensures a full recline with as little as 4" of wall clearance.
