## SLEEP IS A BEAUTIFUL THING

Great sleep is incredibly powerful. Science is proving that it's just as important to our health and happiness as proper diet and exercise. We believe that everyone deserves the benefits that come from a more comfortable sleep.

## PURCHASING THE RIGHT PILLOW FOR YOU

We think of pillows as "the bed for your head" because that's how important they are to getting the best nights rest possible. Our Sleep Experts can match your sleep style (the most common position you sleep in) with a pillow that offers you all the support you need. What's more, unlike other pillow retailers, you can actually try them out on a mattress inside our stores to feel the differences for yourself.

## Invest in a Better Mattress!

Having the best mattress for your needs and preferences is vital to making sure that you are comfortable enough to relax. Investing in a supportive mattress and pillow helps ensure that your spine gets proper support to avoid aches and pains.
