Good Things, For Life.

GE APPLIANCES

Cold Plus Cycle

Wash without compromise in cold water. A new wash cycle that has been adjusted to improve cold washer washing more than a normal wash cycle using cold temperature water. Tide Cold Certified.

Sani Fresh

Available in all GE Top Load Washers, this cycle uses elevated water temperature and a longer wash cycle to kill bacteria, and a pump purge and extended rinse removes contaminants.

Stain Pretreat

Take the guesswork out of stain removal with Stain PreTreat. This convenient feature is designed with preprogrammed settings that target and tackle four of the most common household stains so you can skip the scrubbing.

My Cycle

Program your own cycle custom to you. All you have to do is press and hold for three seconds and your cycle will be saved!

**GE Profile™ 30" Slide-In
Induction Range with Air Fry,
5.3 cu. ft. Capacity**

Safer to use. Fast & efficient. Easier to clean.

Induction surfaces only get hot once cookware has been placed on top. Water boils more quickly than on gas or electric cooktops. Wipe away spills and splatters easily with a damp cloth.

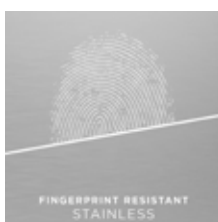

No-Preheat Air fry

Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray.

Steam Clean

The power of steam eliminates oven scrubbing and tough food leftovers with a 30-minute Steam Clean Cycle.

Fingerprint Resistant Stainless Steel

Easily wipe away smudges and fingerprints for a look that's always sparkling clean.

Fifth Element Warming Zone

A convenient low-heat warming zone provides even temperature control for foods on the cooktop.

Built-In Wifi

This smart oven features built-in WiFi so you can control oven functions with the SmarthQ app on your smart device.

Why Shop *at a* Appliance CENTRE ?

Local Touch

Our GE Appliance Specialists take the time to get to know our customers. It's a place where you'll always feel welcome and at home.

Hands On Shopping

We encourage you to try before you buy, which is why many models are fully operational.

Widest Selection

We have the most GE branded appliances in your neighbourhood – guaranteed.

Inspiring Spaces

GE Appliances are set up in real home settings like kitchens and laundry rooms, so you can visualize how they will look and feel in your own space.

Autosense Cycle

A beam of light measures soil levels and water temperature to adjust to the ideal cycle time.

Sanitize Cycle

High-temperature rinse sanitizes and reduces by 99% the bacteria found on dishes.

Piranha Hard Food Disposer

To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles and helps to prevent large particles from clogging the wash arms.

Energy Star Certified

Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings.
