

THE
COLMORE
BUILDING

The Colmore Building is situated at the heart of Birmingham's business district, ensuring excellent connections and a wealth of amenities. Providing class leading office space with superior occupier facilities, The Colmore Building is already home to many established high profile businesses and combines stunning new arrival and meeting space, with comprehensive concierge facilities and an on-site gym.

Offering 310,000 sq ft of premium, highly efficient office space, The Colmore Building is a proud backdrop for businesses looking to achieve more.

MORE FOR YOU

The Colmore Building has been carefully designed to create an engaging workspace for occupiers and visitors alike. Businesses based here welcome clients into a professional and social space finished to a premium specification. Neutral tones enhance the quality of the building which is unparalleled in Birmingham.

IMPRESSIVE ENTRANCE

The spacious, contemporary reception designed by renowned architectural practice MoreySmith, is complemented by the striking feature leather wall and artwork, offering an unrivalled reception experience. A relaxing seating area sits within the double height space, leaving a lasting impression.

"Our vision was to transform The Colmore Building into a contemporary, modern workplace, creating an inviting and stimulating environment in which its tenants and visitors can thrive."

— Linda Morey-Burrows, Principal Director, MoreySmith

MORE FACILITIES

The Colmore Building offers the best amenities of any office building in the city. In addition to & MORE, occupiers can enjoy the expansive gym – allowing them to schedule their work-out around the working day – and the luxury male and female changing facilities. Class leading concierge services

offer further convenience for occupiers including dry cleaning and beauty treatment rooms. Cyclists can secure their bikes in the new bicycle store situated in the 100 space private carpark. If needed, additional car parking facilities are available within the adjacent B4 car park.

MORE FROM THE AREA

Situated on an elevated site, the 14-storey building enjoys spectacular views and is a prominent city landmark. Birmingham is one of the most exciting and vibrant young cities in Europe, recently named as the 'Top City in Western Europe to invest' in The World's Most Competitive Cities Report 2015. Occupiers can enjoy high quality restaurants, bars, galleries and cultural delights.

BIRMINGHAM AMENITY

The Colmore Building is positioned at the heart of the Colmore Business District, Birmingham's most exclusive business and retail destination. With the city centre's high-end shops, restaurants and bars based a short walk away, the area reflects the success and aspirations of its commercial residents. The nearby Great Western Arcade is the hub of

thriving independent retail in the city, home to award-winning fashion and jewellery boutiques, hair and beauty retailers and food and drink. The Colmore Building stands proudly alongside leading occupiers such as KPMG and HS2 – major businesses seeking to exploit the skills available in the region.

CONNECTIONS

Birmingham offers outstanding domestic, European and longer-haul international links. The Aston Expressway runs close to The Colmore Building, providing speedy access to the M6, M5 and M42. Travelling to business meetings is stress-free thanks to the two mainline stations: close-by Birmingham Snow Hill and Birmingham New Street, which has recently undergone an extensive refurbishment, becoming a retail destination in itself.

"The Colmore Building perfectly matches our aspirations as a business and provides the right impression when clients visit our offices"

— Adrian Quin, Head of Office

"The Colmore Building is not only our design studio, but a place to do business and most importantly, a place to make projects come to life"

— Marcus Wilkins, Studio Director

"As well as being a first-class building with outstanding facilities, The Colmore Building offered us a truly blank canvas to make our mark and the outstanding views across the city are the cherry on the top"

— David Munton, Regional Managing Director

Incoming 11 KV protected ring power supply with 3000 kVA maximum demand supply availability.

STAND BY POWER GENERATION

Space is provided and allowance made for future adaptation within the tenant storage space/ parking spaces to facilitate the installation of standby power generation.

TENANT POWER SUPPLY & DISTRIBUTION

Power & lighting supplies for all areas are provided and metered at low voltage from the landlord's supply network on each floor. Designed load is 25w/sq m with one circuit every 85 sq m and with 25% spare capacity.

WIREScore

THE FIRST WIRED CERTIFIED PLATINUM RATING IN BIRMINGHAM

MORE CONNECTIVITY

A fixed wireless provider creates an alternate form of connectivity into the building from internet service providers entering from street level.

MORE COMPETITIVE

4 unique sources of fibre connectivity allow occupiers a wide variety of high speed internet services.

MORE FLEXIBILITY

The building can easily accommodate new carriers as there are universal comms chambers on both sides of the building.

MORE ATTENTIVE

FREE WiFi in all communal areas (including the gym, café and changing rooms) for occupiers and visitors

MORE VARIETY

BT Openreach has both fibre and copper in the building which provides infrastructure that can be used by over 500 different providers to service tenants.

MORE THOROUGH

Additional ISP comms space and riser capacity is available to support future needs of occupiers and carriers throughout the entire building.

WORLD-CLASS INFRASTRUCTURE

Best in class levels of redundancy and resiliency with 3 fully separate intakes.

The Colmore Building has been awarded a Platinum WiredScore connectivity rating. This is the highest possible level achievable by international connectivity accreditor WiredScore and certifies The Colmore Building as one of the best buildings in the UK for broadband and telecoms infrastructure.

AVAILABLE CARRIERS

AWARDS

The Colmore Building has won the Innovation Award for the Midlands and Central England at the 2017 British Council for Offices (BCO) Awards. The BCO recognised The Colmore Building for providing a vibrant and contemporary work environment. The judges praised the building for its world-class facilities and outstanding amenity offering.
