Centrally situated between Angel and King's Cross, Hermes Studios is a bright, modern and flexible office building.

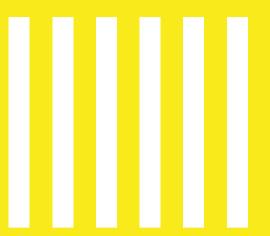

A comprehensively redesigned and impressive new build led by renowned architects Buckley Grey Yeoman the building exhibits conscientious architectural innovation matched with carefully selected fixtures and fittings. Providing 9,310 Sq Ft (865 Sq M) Grade A office accommodation over three floors, Hermes Studios is enhanced by its own, self-contained courtyard.

Drawing upon the charisma of the original building and pairing it with a range of modern design influences, the office space employs a synergy of exposed steelwork, concrete and timber and the shrewd use of natural light to create both contemporary, functional and comfortable office space.
