EXPERIENCE THE **DREW** DIFFERENCE

- A BROAD TOE BOX** provides room for the toes to be comfortable.
- B PADDED TONGUE** minimizes lacing pressure over the instep.
- C FOAM CUSHIONED COLLAR** prevents heel slippage for a snug and friction-free fit.
- D EXTENDED MEDIAL THERMOPLASTIC COUNTER** provides rear foot walking stability and minimizes slippage.
- E REMOVABLE, DUAL-DENSITY INSOLE** with Drilex® cover wicks moisture away from the foot to keep it healthy and dry. The insole permanently forms to the foot, where the molded bottom provides additional cushioning.
- F STRONG SHANK** adds support and stability for excellent arch support.
- G WIDE SHANK, LIGHTWEIGHT OUTSOLE** provides a ball-of-foot base for stability and great fit, and a mild "Locker Bottom" to move the foot forward during walking.
