TINY Pillows

by *Ros* HOMMERSON®

Our signature Tiny Pillows footbed massages every step!

- Plush pillows give gentle cushioning across the entire foot
- Non-compacting foam bounces back after compression for the same amazing comfort throughout the life of the shoe
- Airy, open-cell structure delivers long lasting cushion and breathability
- Ultra-flexible, lightweight footbed absorbs shock and boosts momentum
- Carefully selected leather or sumptuous fabric linings keep the foot dry and comfortable

“As a gym owner and fitness instructor, I am constantly on my feet. I used to dread wearing high heels because I couldn't find styles that fit right or didn't hurt my feet. Not anymore - I am in love with these Tiny Pillows and can dance all night now!”
