President’s “Words of Wisdom”

Words of Wisdom

We have been hearing about the dire need and unprecedented importance of education behind any country’s progress and development from scholars across the globe. And still, India is amongst the countries where-in large part of its population is still deprived of basic education.

Every child has some talent and in most cases this goes unseen as far as unprivileged society is concerned. At Prayas, we not only educate but give them the opportunity and nurture their talent. Allow me to narrate a recent Prayas story, two of our lady students from ballabgarh who couldn't even afford two meals a day are today earning twenty to twenty five thousand per month. They learnt stitching from us and as part of our program, on completion, Prayas presented them with a sewing machine. And today after around three years, they own a boutique and are bread earners of their families. It’s a proud moment at Prayas every day.

And I think there is no better way to give back to the society, to the nation, who has helped me grow and achieve whatever I have wished for, by educating its children, by skilling its youth and empowering its women. I am thankful to Mr. M.L. Gupta in helping me achieve this endeavor by giving me Prayas SWS. I feel proud to be able to bring smiles to many.

The happiness you get with Prayas is far above and beyond everything. Its eternal. After all, Sachi manavta ki seva Ishwar ki seva hai.

Prayas Progress & its Expansion

As Prayas SWS is putting its effort to increase the literacy rate among underprivileged society, today we are approaching the total strength of 7500 students in Prayas SWS in 91 centres. Prayas SWS is perpetually working on to increase this number to 10,000 in coming year with increased number of centres.

Prayas SWS also runs vocational Training courses for underprivileged under which we have nearly 800 students, we also have few courses like, Mobile Repairing, Plumbing, Beautician, Electrical and Tailoring enrolled under PMKVY with 100% Job Placement.

Prayas SWS also runs its own 5 charitable dispensaries to provide free medical aid and medicines to poor and needy, on an average these dispensaries look up to 100 patients on daily basis with the help of our well qualified and certified doctors.

Prayas SWS program of running literacy class for illiterate poor society has taken a momentum and with a prophecy of this we aim to reach to heights and open our own school for higher and secondary education in due course of time.
