

## Coils for electrical actuation

Part no.:: 2610161

Product description: COIL 24DG-32-1329

| Characteristic                | Value / Characteristic / Information |
|-------------------------------|--------------------------------------|
| Diameter                      | 29 mm                                |
| Height [mm]                   | 34,00                                |
| Kind of voltage               | DC                                   |
| Length                        | 32 mm                                |
| Length [mm]                   | 56,00                                |
| Nominal Voltage               | 24 v                                 |
| Type of electrical connection | Connector EN 175301                  |
| Use                           | Solenoid operated directional        |
| Width [mm]                    | 30,00                                |
