

## Coils for electrical actuation

Part no.: 3002184

Product description: COIL 12DU -50-1836

| Characteristic                | Value / Characteristic / Information |
|-------------------------------|--------------------------------------|
| Diameter                      | 36 mm                                |
| Kind of voltage               | DC                                   |
| Length                        | 50 mm                                |
| Nominal Voltage               | 12 v                                 |
| Type of electrical connection | Junior Timer axial                   |
| Use                           | Solenoid operated directional        |
