

Coils for electrical actuation

Part no.: 3002594

Product description: COIL 230AG -40-1836

Characteristic	Value / Characteristic / Information
Diameter	36 mm
Height [mm]	41,00
Kind of voltage	AC
Length	40 mm
Length [mm]	61,00
Nominal Voltage	230 v
Type of electrical connection	Connector EN 175301
Use	Solenoid operated directional
Width [mm]	38,00
