

**DM - Dimicron**

Part no.:: 3106549

Product description: N5DM001

| <b>Characteristic</b>         | <b>Value / Characteristic / Information</b> |
|-------------------------------|---|
| By-pass                       | no by-pass                                  |
| Customer protection           | without custom. protection                  |
| Element material              | Dimicron                                    |
| Filterfeinheit                | 1 µm  |
| Further characteristics elem. | no further details                          |
| sealing material              | FPM (Viton)                                 |
| Size                          | 5   |
