

FT 5

Part no.: 3210458

Product description: FT5L10P3M1---E

Characteristic	Value / Characteristic / Information
Clogging indicators	standard, pressure gauge
Conformity documentation	Konformitätserklärung
Electric motor voltage	230V -50Hz-1Ph
Filter material	without filter element
Filter size	for element size 330
Filtration rating	without filter element
Motor/pump unit	30l/min 0,75kW
Seals	NBR (Perbunan)
Supplementary details	without
Type	mobile without change-over
Type code	Standard
