

**TW 5**

Part no.: 349212

Product description: TW5L10P6N2B05E

| Characteristic           | Value / Characteristic / Information |
|--------------------------|--------------------------------------|
| Clogging indicators      | standard, pressure gauge             |
| Conformity documentation | Konformitätserklärung                |
| Electric motor voltage   | 380-420V-50Hz 440-480-60Hz           |
| Filter material          | Optimicron (ON)                      |
| Filter size              | for element size 1300                |
| Filtration rating        | 5µm ON                               |
| Motor/pump unit          | 40l/min                              |
| Seals                    | NBR(Perbunan)                        |
| Supplementary details    | without                              |
| Type                     | without change-over                  |
| Type code                | Standard                             |
