

## FM - Flexmicron

Part no.: 3778164

Product description: N40FM-E010-PP1N

| Characteristic                | Value / Characteristic / Information |
|-------------------------------|--------------------------------------|
| By-pass                       | no by-pass                           |
| By-pass                       | no by-pass                           |
| Customer protection           | without custom. protection           |
| Element material              | Polypropylene                        |
| Element material              | Polypropylene                        |
| element type                  | FlexMicron E(Economy)                |
| Filterfeinheit                | 10 µm                                |
| Filtration rating             | 10 µm                                |
| form of end cap               | Typ 1                                |
| Further characteristics elem. | no further details                   |
| Further characteristics elem. | no further details                   |
| sealing material              | Perbunan                             |
| Sealing material              | Perbunan                             |
| Size                          | 40                                   |
| Size                          | 40                                   |
