

## Coils

Part no.:: 4251234

Product description: COIL 125DG -75-3164 38W

Characteristic	Value / Characteristic / Information
Application	switching solenoid
Approval	none
Circuit	none
Current	0,304 a
Electrical connection	other connectors
Kind of voltage	DC
Length	75,0 mm
Power	38,0 w
Resistance	411,00 ohm
Series	Dm 63mm
Solenoid body material	metal
Voltage	125 v
