

Coils

Part no.:: 4251262

Product description: COIL 24DO -75-3164 38W

| Characteristic | Value / Characteristic / Information |
|------------------------|--------------------------------------|
| Application | switching solenoid |
| Approval | none |
| Circuit | none |
| Current | 1,600 a |
| Electrical connection | DESINA |
| Kind of voltage | DC |
| Length | 75,0 mm |
| Power | 38,0 w |
| Resistance | 15,00 ohm |
| Series | Dm 63mm |
| Solenoid body material | metal |
| Voltage | 24 v |
