

## Bell housing w. flexible pump mounting

Part no.: 708014

Product description: PT-200/M/96,5/FB002-E

| Characteristic              | Value / Characteristic / Information |
|-----------------------------|--------------------------------------|
| According to VDMA 24561     | no                                   |
| authorization               | no                                   |
| authorization               | no                                   |
| Bore                        | 0,0 mm                               |
| Centring                    | 25,40 mm                             |
| Design of bell housing      | flexible bell housing+O5             |
| Dimensions after VDMA       | not after VDMA 24561                 |
| Flange FB                   | FB002                                |
| Foot bracket                | without                              |
| hole pattern                | rectangle 4-hole down                |
| inspection hole             | without                              |
| leakage hole                | without                              |
| Length PT (N)               | 96,5 mm                              |
| Locating ring               | inclusive                            |
| Motorzwischenflansch        | without                              |
| Number of holes             | 4-hole                               |
| old typekey                 |                                      |
| old typekey                 |                                      |
| Pitch circle                | 0,00 mm                              |
| Rectangle height T1         | 72,00 mm                             |
| Rectangle offset T2         | 26,20 mm                             |
| Rectangle width T1          | 52,40 mm                             |
| Size of Bell housing PT     | bell housing size 200                |
| size PT, motor size IMB5/V1 | 200 / 80-90L                         |
| special design              | without                              |
| Thread                      | M6                                   |
| Version of damping ring     | E                                    |
| With or without feet        | without foot                         |
| Zwischenflansch             | without                              |
