

## Rigid bell housing

Part no.: 722549

Product description: PTS-250/M/120/FB060

| Characteristic              | Value / Characteristic / Information |
|-----------------------------|--------------------------------------|
| According to VDMA 24561     | yes                                  |
| Bore                        | 0,0 mm                               |
| Centring                    | 82,55 mm                             |
| Design of bell housing      | rigid bell housing                   |
| Flange FB                   | FB060                                |
| Foot bracket                | without                              |
| Größe PTS und Bauform Motor | 250 / 100L-112M                      |
| hole pattern                | horizontal 2-hole standard           |
| inspection hole             | without                              |
| leakage hole                | without                              |
| Length PT (N)               | 120,0 mm                             |
| Locating ring               | without                              |
| Number of holes             | 2-hole                               |
| old typekey                 |                                      |
| old typekey                 |                                      |
| Pitch circle                | 106,40 mm                            |
| Rectangle height T1         | 0,00 mm                              |
| Rectangle offset T2         | 0,00 mm                              |
| Rectangle width T1          | 0,00 mm                              |
| Size of rigid Bell housing  | bell housing size 250                |
| special design              | without                              |
| Thread                      | M10                                  |
| With or without feet        | without foot                         |
