

## HFS 2100

Part no.: 922715

Product description: HFS 2155-1S-0010-0030-7-B-0-000

| Characteristic         | Value / Characteristic / Information |
|------------------------|--------------------------------------|
| Accuracy               | 10%                                  |
| Approval               | no                                   |
| Display                | without indicator                    |
| Electrical connection  | DIN 43650 /3p + PE                   |
| Flow max value         | 30,00                                |
| Flow min value         | 0,000                                |
| Indicator              | without indicator                    |
| Lowest switching point | 10,000 l/min                         |
| Material of housing    | brass, nickel-plated                 |
| Measuring principle    | Float principle                      |
| Mechanical connection  | G 1"                                 |
| Medium                 | Oil                                  |
| Switching contacts     | 1 N/O contact                        |
