

## HFS 2100

Part no.: 927604

Product description: HFS 2145-1S-00,5-01,5-7-B-1-000

| Characteristic         | Value / Characteristic / Information |
|------------------------|--------------------------------------|
| Accuracy               | 10%                                  |
| Approval               | no                                   |
| Display                | with indicator                       |
| Electrical connection  | DIN 43650 /3p + PE                   |
| Flow max value         | 1,50                                 |
| Flow min value         | 0,500                                |
| Indicator              | with indicator                       |
| Lowest switching point | 0,500 l/min                          |
| Material of housing    | brass, nickel-plated                 |
| Measuring principle    | Float principle                      |
| Mechanical connection  | G 3/4"                               |
| Medium                 | Oil                                  |
| Switching contacts     | 1 N/O contact                        |
