

HFT 2500

Part no.:: 929126

Product description: HFT 2558-BC-0020-0060-7-B-0-000

Characteristic	Value / Characteristic / Information
Additional measuring couplings	no
Approval	none
Electrical connection	M12x1 /5p
Flow max value	60,00
Flow min value	0,000
Material of housing	brass
Measuring principle	Float principle
Output signal	0..10V + 4..20mA (3 conductor)
