

HFT 2500

Part no.:: 929301

Product description: HFT 2518-BC-00,1-00,6-7-B-0-000

Characteristic	Value / Characteristic / Information
Additional measuring couplings	no
Approval	none
Electrical connection	M12x1 /5p
Flow max value	6,00
Flow min value	0,000
Material of housing	brass
Measuring principle	Float principle
Output signal	0..10V + 4..20mA (3 conductor)
