

## Torsionally flexible coupling complete

Part no.:: 950048

Product description: Kupplung 19/24-24/19,05A

| <b>Characteristic</b>     | <b>Value / Characteristic / Information</b> |
|---------------------------|---|
| Coupling size             | 19/24                                       |
| Execution of the drilling | reciprocally cylindric                      |
| Material of the clutch    | GG/ST                                       |
