

Continuous and effective floor fluid suction

The Fluid Fighter™ Suction Disc from Typenex® Medical is designed to continuously vacuum fluid off the floor during low-, moderate-, or high-fluid intensive surgical cases. Its sleek, translucent design and 10-foot flexible tubing make it easy for clinicians to maneuver and reposition to their needs.

Fluid Fighter™ | Suction Disc

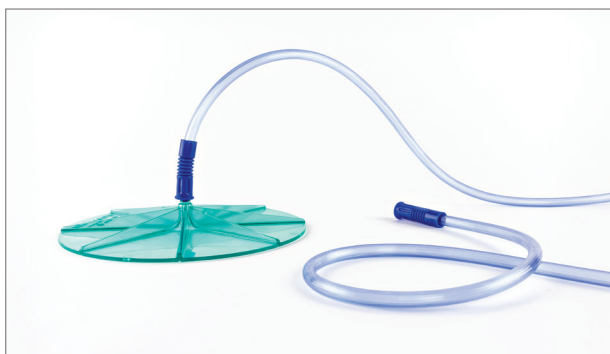

Features and Benefits

Sleek Design - The translucent material and flexible tubing make it easier to see fluid and maneuver with the push of a foot

Powerful Suction - A centrally-located suction port for strong and quick removal of fluid

Compatible - Works with any standard suction system through provided flexible 10-foot tubing
